2024

# WHAT IS THE BUSINESS TOUR?

## FIND THE PERFECT JOB/INTERNSHIP/THESIS PROJECT

A week-long company orientation tour where our members have the opportunity to visit multiple companies from different industries.

The purpose is to provide our members an inspiring introduction to interesting companies allowing them to branch out into all kinds of different career paths.

**20-26 APRIL 2024**

## **INHOUSE DAYS**

Get to know companies & their work environment during their inhouse days. We will visit one or two companies per day, excluding the weekend. This will also include lunch, drinks or dinner.

## **NETWORKING**

Expand your network by engaging with your fellow students & have the opportunity to meet company representatives during the inhouse days. Pre-drinks & after-drinks will be organized for participants.

## **A MEMORABLE TRIP**

The trip includes overnight stays in multiple cities and you will have plenty of free time during the weekend to explore the different places & have fun with your fellow CH members! Additional recreational activities will also be organized.
